**STATEMENT BY NICOLE L. M. VALTZ IN SUPPORT OF
PETITION TO ACCORD FILING DATE
FOR EXPRESS MAIL CORRESPONDENCE NOT RECEIVED BY P.T.O.
(37 C.F.R. SECTION 1.10(e))**

I, Nicole L. M. Valtz, a citizen of United States, residing in Jamaica Plain, Massachusetts, make this declaration providing facts in support of the Petition to Accord Filing Date for Express Mail Correspondence Not Received By P.T.O. (37 C.F.R. § 1.10(e)).

I am a attorney employed by the law firm of Nixon Peabody LLP, Boston, Massachusetts.

I make this declaration as a person having first hand knowledge of the facts recited herein.

On April 4, 2005, the executed Declaration and Power of Attorney, including a Letter to Examiner, was filed with the U.S. Receiving Office in the above-identified application.

On April 11, 2005, we received the return receipt postcard date-stamped April 4, 2005 from the U.S. PTO, indicating that the executed Declaration and Power of Attorney had been received by the U.S. Receiving Office (copy attached).

On July 11, 2005, we received a Notification of Missing Requirements under 35 U.S.C. 371 in the United States Designated/Elected Office, a copy of which is attached hereto. This Notification indicated that an Oath or Declaration of the inventors had not been received.

Accordingly, on July 25, 2005, my assistant, Linda M. Ginsberg, called the PCT Help Desk, and was advised that the file contained no indication that the Declaration and Power of Attorney had been received.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
